### **Recruitment service**

Our social media based outreach to the language education community cannot be matched. We offer a dedicated recruitment service for organisations seeking Language Teachers (EFL and MFL), Managers, Academics and related staff.

*The basic Package - £70 for 7 days (costed as weekly blocks, but depending on your needs these do not necessarily have to be consecutive days i.e. you could buy 1 week and spread 7 tweets over two weeks or one month; you could buy 3 weeks and spread your 21 tweets over a week, a month or a year – it's up to you).*

#### *Tweets to our @tesolacademic followers*

We will provide 1 tweet per day for 7 days that you commission with a link to your job advert. Wording begins “Sponsored: ...” thereafter you tell us what you want to say or we can decide on your behalf. We recommend including relevant #tags such as #TESOL or #MFL in your tweet and can advise on whether other #tags are appropriate.

#### *A post on our TESOLacademic Facebook page*

We will provide 1 sponsored post for every £70 purchase block that you make. Each post will link to your job, but if you purchase several blocks you will want to change the wording for each post. You can keep as many of your sponsored posts active by adding comments. Your sponsored post(s) will remain on our Facebook page indefinitely, unless you ask us to remove it\them. There is no word limit to this entry but clients are advised to keep posts short and focused. All posts start with the wording “Sponsored post: ...”

#### *Share an up-date on LinkedIn*

We will post a link to your job advert as a one off LinkedIn update – there is no word limit to this entry but clients are advised to keep it as short as possible. You are encouraged to “like”, “comment” and “share” your posts as this keeps it active. All LinkedIn updates start with the wording “Sponsored post: ...”
